INTERNATIONAL ADMISSIONS: BANK CERTIFICATION

You are required to certify that you will have the sum of **US\$ 17,094** for your expenses for your first academic year at Fullerton College, exclusive of travel costs. You are also required to certify that you will be able to meet your expenses in future years of study if you expect your program to require more than one year. You should anticipate tuition increases in subsequent years.

Students who plan to stay in the United States during the summer will need an additional US\$3,000.00 for living expenses for that three-month period. You will need bank certification that your parent or sponsor (cannot be another foreign student) has maintained an adequate balance for the past two years. Students who are sponsoring themselves are required to show funds for the duration of a 2-year college program.

This form confirms the funds available to the financial sponsor who has signed your Certification of Financial Support. A bank/financial institution official may complete this form or submit alternative forms of certification. All must documents must be original and bear the signature of the bank official and/or seal of the bank.
