

3-Day Welcome from an American Family

International Friendship Council of North Orange County welcomes new **Fullerton College** international students with a unique opportunity to stay in the home of a family in the Fullerton area for 2 or 3 nights while searching for a permanent place to live. Volunteer host families will:

- Pick up students from the Marriott Hotel in Fullerton (Students who arrive at LAX airport can take a Super Shuttle to the Marriot Hotel, then call the host family for pick up).
- Take the student to their home.
- The next morning, a family member drives the student to Fullerton College to visit the International Student Center to become familiar with the campus, prepare for the semester, and get information on permanent housing, bank accounts, etc.
- Host families may help students look for an apartment, get a bank account, etc.

Apply Soon! Only a limited number of students may participate, and are served on a first-come first-served basis.

Instructions: If you are interested in participating in the 3-day welcome with an American host family, read this sheet carefully, complete and sign. Then scan/email or fax this application to the Fullerton College International Student Center at 714-992-7308.

Once your information is received, the International Friendship Council will determine if a host family is available to welcome you. We will then email you with the name and telephone of the host family. You will call your host family after you arrive at the Fullerton Marriott Hotel from the airport.

If you change your plans, please notify the ISC and your host family immediately. The host family is providing a special courtesy to students by offering their home and will be disappointed and worried if you do not arrive as expected.

Please type or print clearly and sign. You must include your airport arrival information.
