SECOND BACHELOR / MASTER DEGREE APPLICANT CONTRACT

Date : _____

- Mr.
- Ms.

Last Name	First Name	Middle Name
Email Address	Phone Number	Student ID

I, _____, have already earned a Bachelor and/or Master Degree from another country or from the United States. I understand that most public universities in California (e.g. California State University and University of California) do not allow students to apply if they have already earned a Bachelor Degree and/or Master Degree. While some universities do allow second degree applicants, I am aware that policies may change without notice. I recognize that universities that are more likely to admit second Bachelor and/or Master Degree applicants include private universities in California and non-California universities.

I understand that in order to gain admissions to Fullerton College and maintain F-1 status, I must follow the guidelines below:

- I must enroll in courses required for the major listed on my I-20.
- It is my responsibility to investigate which universities accept second Bachelor and/or Master Degree applicants. The Fullerton College international counselor will not provide this service.
- If I am denied admission to any university, then my I-20 will not be extended. I should apply to multiple universities to increase my acceptance possibilities.

I understand that failure to meet any of the above agreements may result in termination of my F-1 status at Fullerton College.
